The Community Hall is a free standing building located on the west side of our property. It includes a large hall, large kitchen, a meeting room and handicapped restrooms.

The mission of the hall is to provide space for multi-use purposes including dinners, and children and youth activities. We have portable equipment to play basketball and Foosball. Even though the space is not a full gym it provides for a wide variety of activities. Outside groups are encouraged to use the hall. We ask these groups to help with our expenses for utilities, cleaning, etc.

**To reserve the Community Hall for church or for an outside event, please call 307-921-9399**
